## **U.S. Security Associates hosts Winner's Circle Awards Ceremony to Honor Outstanding Performance**

**ATLANTA, Georgia** – March 30, 2011 - U.S Security Associates hosted the 6th annual Winner's Circle Awards Ceremony, which took place at The Four Seasons Hotel in Atlanta, Georgia the last weekend of March. The ceremony was designed to honor the individuals who have made major contributions to the organization throughout the year. Chuck Schneider, President & CEO of U.S. Security Associates, commented, "These individuals have gone above and beyond their normal responsibilities to afford the company outstanding success. Each award recipient embodies the company's core values, mission and vision; which makes them the best of the best." The invitation to the weekend included the spouse or significant other of the honoree, as a tribute to the teamwork that made the honoree's performance possible.

The Winner's Circle recognized outstanding achievement in several categories to include Outstanding Security Officers, Outstanding Supervisors, Outstanding Staff Contributions, Extraordinary Contributions, Outstanding Branch Performance, Outstanding Branch Sales, Outstanding Territory Sales, Outstanding Regional Sales, Outstanding National Sales, Outstanding Business Unit Sales and Outstanding Business Unit Performance. Recipients meet certain quantitative targets to qualify or are nominated by people from within the company.

This year's recipients celebrated their achievements at Atlanta's only five star hotel and were welcomed in a reception on the 50th floor that had breathtaking panoramic views of the entire city of Atlanta.. Attendees, along with their spouses, enjoyed a fun filled weekend to include fine dining at a Black Tie formal awards dinner and recreational activities that included visits to CNN, Georgia Aquarium, The World of Coca-Cola, The High Museum of Art, golfing and The Spa at The Four Seasons Hotel, which reflects the ultimate in luxury and serenity.

Schneider commented "The Winner's Circle is a very special event. Not only for the outstanding performances that we recognize throughout the weekend, but because we celebrate the success of our company, which every individual here has played a role in creating. We built this company Security Officer-by-Security Officer, Branch-by-Branch, until we are now at approximately \$870 Million in Revenue, the 4th largest uniformed security company in the country and clearly the 'best in the business.' The other reason the Winner's Circle awards are very special, is because they portray the best picture of 'what we are, and what we want to be as a company' – our values, our goals, our heroes and the performance level to which we aspire."

Being included in Winner's Circle has quickly become a coveted honor and tradition within the company.
